Plan Highlights

Under the Whole Life Policy premiums are payable throughout the life time of the life assured and, as such this is the cheapest form of policy.

If payment of premiums ceases after at least three years premiums have been paid, a free paid-up policy for such reduced sum as can be allowed according to the rules will be automatically secured provided the reduced sum assured, exclusive of any attached bonus, is not less than Rs. 250/-.

Such reduced paid-up policy will not be entitled to participate in the profits declared thereafter, but such bonus as has already been declared on the policy, will remain attached thereto.
